REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT

Dear Sir:

It is noted that errors appear in this patent of a clerical/typographical/minor nature or character as more fully described below and it is believed such error occurred in good faith and correction thereof does not involve such changes in the patent as would constitute new matter or would require reexamination. Accordingly, a Certificate of Correction is requested.

JUL 06 2005

Attached hereto, in duplicate, is form PTO/SB/44 with at least one copy being suitable for printing.

One error occurs in the patent at column 5, line 38 where reference number 110 is incorrectly entered as reference 10. Another error occurs at Claim 1, line 24 where the word making is incorrectly entered as "ma" – these errors and the correction thereof is detailed in the attached form PTO/SB/44.

The errors are believed to have been made by the Patent Office since the application filed correctly recited the language of the Detailed Description of the Invention and the Reply to Office Action filed on October 18, 2004 correctly recited the language of claim 1.

In the event any fees are due in connection with this paper, authorization is granted to charge such fees to Deposit Account No. 50-1063 [AMDP456USA].
